To the Parish of St. Monica's,

As we reflect upon the journey we have shared together this past year, I hope that your hearts are filled with love, connection and thankfulness as mine is for each and every one of you. Some of you I have never met personally, and others I see frequently, but I feel I know each of you through the work I do in the office and seeing each of your names every week. I want to thank each of you for being a part of St. Monica's and I wish each of you a wonderful, happy, healthy and blessed Christmas Season!
