NAME BADGES ARE BEING USED AGAIN

For those that attended last weekend you may have noticed that the board for the name badges were organized and many badges were reprinted. If your badge is missing, your name isn't as you want it to read, or you simply just never had one printed, please fill out the "Badge Request" form located at the back of the church and we will have your new badge created for you next weekend.

Did you know that this is also how the Church is able to take attendance? Placing your badge in the bucket when you leave allows the Parish Administrator to take attendance which is a requirement of our Diocese. If you take your badge home, the administrator will not know that you attended church, so please be sure to place your badge in the tote as you leave and we will have it on the board for you the following weekend to use again. Thank you for helping us keep our records in order.
